BRM, the Romanian Commodities Exchange, joins Europex

Brussels, 19 January 2023 | The Romanian Commodities Exchange (Bursa Română de Mărfuri – BRM) has joined Europex as a Full Member as of today. With the inclusion of BRM, Europex now counts 32 members.

BRM was founded on 20 November 1992 and operates wholesale spot and forward gas and electricity markets as well as other energy and non-energy commodity markets in Romania.

Christian Baer, Secretary General of Europex, commented: "It is a real pleasure to start off the New Year by welcoming a new member to the Europex family. BRM has been a key figure in the Romanian and South-eastern European energy system for many years and is about to further expand its services and markets. We look forward to working with their CEO, Purice Gabriel, and his team to bring their knowledge and experience to the European level".

About

Europex is a not-for-profit association of European energy exchanges with 32 members. It represents the interests of exchange-based wholesale electricity, gas and environmental markets, focuses on developments of the European regulatory framework for wholesale energy trading and provides a discussion platform at European level.
